### Potato Olympic Update

We had a great time hosting the Potato Olympics for the SK class and then playing the games ourselves last Monday! The students now are busy in their groups making a Do Ink presentation on their sport. We will also be making a class movie that I hope to send out to you when finished! This is good, because our "olympians" have started to rot!

### Home Work

Thank you for your patience with the homework and home readers. There are days that can get quite busy and we don't always have the chance to get things changed and handed out when we would like. If things are late getting to you, please don't be rushed to hand them back! Bring them back when it works for you!

### Raptor Groups

On Wednesday, the student K-8 met in their new Raptor groups. These are mixed age peer groups that will meet with a staff member to talk about various topics and to do different school-wide activities.

Special Reminder:  
Spring Break is March  
26-30
