Mrs. Wallace's 1st Grade Newsletter

Oak Lake Community School

Week of May 20

Books

We have had an extremely busy month writing pieces for our own classroom book and also for the Sigmund Brouwer school book. Everything has been completed and sent away! We will look forward to seeing the finished products! We have sent off our next set of letters to our Reston pen pals as well!

Science

Last week we built our own "garages" complete with cars and people inside! We learned a lot about building structures, fasteners and what different materials are made of and how absorbent and water repellent they are! We were lucky enough to have a naturally rainy day and put them outside for awhile. We were happy to find out that all of our people and vehicles stayed dry!

Monday
NO SCHOOL
VICTORIA DAY

Tuesday
Lunch heat up

Wednesday
Library

Thursday
PAC Hot Lunch
Lunch heat up

Friday

shoes

Please send running outside shoes with your children as they are outside now quite a bit for Gym class. If they are wanting to wear flip flops, etc., just pack an extra pair for gym please! Thanks!

Special Reminder:
NO SCHOOL ON
MONDAY!
