

★ WEEKLY NEWS ★

Mrs. Wallace's 1st Grade Newsletter

Oak Lake Community School

Week of September 10th

Welcome Back

Welcome back to all students and parents! We have had a great few days and looking forward this week! I will be sending out this newsletter each week, usually on the Friday. The first one will be paper for everyone, and then I will start emailing it to those that would rather. Remember to bring a small snack each day!

Monday

Music/Gym

Tuesday

Wednesday

Thursday

Library

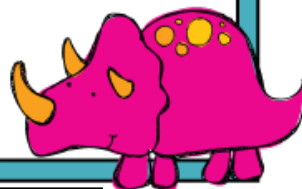

Friday

Music/Gym

Milk/Lunch

Our milk program should be up and running soon. I do have the milk cards from last year and will finish those out first. You can purchase milk cards for up to 20 milk at a time or you can just bring in money for 1 milk. The cost is \$1 per milk regardless. You can send a water bottle with your child to drink during the day.

Planners

Just a reminder that daily planners will go home each day with a message written in it. Also, many times there will be important notes with information or forms needing to be signed and sent back. These will be in the clear pouch in front.

Special Reminder:
Picture Day and Back to
School BBQ - Sept. 20th!
