

WEEKLY NEWS

MRS. WALLACE

Grade 1 and 2 Room - Week of Feb. 12

HOMEWORK FOLDERS

As you have noticed, we are trying out a new homework system. Each grade has a homework calendar. Grade 1's have one for the month. The goal is to pick 12 activities to do at home, initial and send back at the end of the month.

Grade 2's have a weekly calendar and are to make a bingo out of the activities, initial and send back.

The kids that return the completed calendars are put into a draw for a prize!

POTATO OLYMPIC UPDATE

Thank you to all who have brought in a potato. We have finished doing our research on the different Olympic sports. Now we are ready to prepare our sporting events and supplies to present to the SK's! We will first listen to the Olympic power points from the Grade 4/5's to gain even more knowledge!

happy day!

VALENTINE'S DAY

Just a reminder that we will be having our Valentine's Day party on Wednesday, February 14th! Remember to bring your valentines and your 100 snack items for our snack mix. Some ideas are cereal, mini chocolate chips, crackers, nuts, etc. We will also be making milkshakes that day as well as lots of other fun activities!
