FORT LA BOSSE SCHOOL DIVISION

Oak Lake Community School Newsletter

Welcome Back to School!

The leaves are changing and the air feels crisp; that can only mean that fall is here and it's back to school time!

Staff and students of OLCS have been busy getting back into school routines and are excited for all that this new school year has to offer.

The classrooms of OLCS may look slightly different this year with the addition of new students and new staff members! Warm welcomes go out to our 11 Junior Kindergarten

students, as well as new students in Grades 1,3,4,5,6 and 7!

Staffing changes this year include Ms. Natasha Peper who will be the Grade 2 teacher, Ms. Heather Brown, who will teach Senior Kindergarten and Resource, Mrs. Kim Williment, who will teach Junior Kindergarten and take on the Community Schools Connector Position and Ms. Christine King, who is our new custodian.

We look forward to another amazing year of friendship, fun and learning!

Back to School BBQ

Make sure you mark September 21 on your calendars! OLCS will once again be hosting out Welcome Back to School BBQ for all of our students, families and community members.

This event is free for all to attend and is a great way to help celebrate

the beginning of another school year.

After enjoying a meal with friends and family, our entertainment portion of the evening will begin. This year, OLCS students will be the stars of a Ukrainian dance performance, led by Grade 2 teacher, Miss Peper. OLCS student

council will also have a fundraising activity organized for the evening.

We look forward to seeing everyone at the BBQ!

– WELCOME –
BACK TO SCHOOL

You Are Invited!

Food For Thought

Our breakfast snack program will be up and running very soon, which means we would like to see all OLCS students using their reusable bowls and cutlery again this year!

Last year, we were able to give a set of reusable dishes to every student in an effort to be more "green" and to minimize the costs associated with disposable dishes and cutlery.

Please have all students bring their dishes back to OLCS and keep them in their lockers. This will allow us to keep our breakfast program running smoothly and ensure it is still available to all students at no cost to families.
